

Air Disc Brake Training Seminar

Bendix and North Central Utility cordially invite you to attend our fleet night training session professionally conducted by Ed Gresky and Kent Klausing from Bendix.

Who Should Attend?

Technicians - Mechanics - Shop Managers - Parts Specialists

SEMINAR DETAILS

The seminar will be a classroom session with an Air Disc Brake unit on hand for instruction on the operation, maintenance, and repair of the Bendix ADB22X air disc brakes equipped on today's tractors and trailers
